## FOR IMMEDIATE RELEASE

### High-Occupancy Vehicle Lane Opens on U.S. Route 101 in Rohnert Park

**Rohnert Park** – The new northbound High-Occupancy Vehicle (HOV) lane on U.S. Route 101 in Rohnert Park, between Rohnert Park Expressway and Santa Rosa Avenue, opened this morning, Wednesday, August 29. The new southbound HOV lane will open on Thursday morning, August 30.

Although the lanes will be open for use during commute hours, Caltrans will close some of the lanes during off-peak hours over the next few months for the final paving and striping.

As the area is still under construction, the speed limit remains 55 miles per hour. Motorists are reminded to be alert for workers and "Slow for the Cone Zone." Caltrans appreciates your patience as we work to improve California's highways.
